

WHIRLPOOL SPAS

CRUISE SHIP SOLUTIONS

LUXURYSIPA

Luxuryspa S.r.l. is an Italian company of reference in the international cruise industry, distinguished by its exclusive specialization in the design, engineering, and production of acrylic whirlpool spas for cruise vessels. Founded in 2009, the company has established itself as the sole global operator dedicated entirely to this sector, combining advanced technical expertise with the precision and quality traditionally associated with Italian manufacturing. Over the years, Luxuryspa has progressively expanded its portfolio, offering a comprehensive suite of wellness solutions tailored to the specific requirements of marine environments. Its product range includes stainless steel whirlpool spas, hydromassage bathtubs, accessibility lift systems, innovative soft-flooring technologies, automated water-treatment devices, UV disinfection systems, and a broad selection of accessories and spare parts. Each solution is developed with rigorous attention to safety, durability, and operational efficiency, ensuring consistent performance under demanding conditions. The company's operational model is characterized by a fully integrated approach. Luxuryspa manages every phase of the process from conceptual design and engineering to production, onboard installation, and long-term maintenance. A specialized team of technicians provides global support to cruise operators, ensuring the highest standards of execution and service continuity. The eight-year warranty offered on all acrylic spas reflects the company's commitment to quality and long-term reliability. Today, Luxuryspa collaborates with leading international cruise brands, delivering customized solutions that enhance the onboard guest experience and comply with the most stringent industry regulations. Guided by a strong orientation toward innovation and continuous improvement, the company remains committed to advancing the standards of wellness at sea and consolidating its role as a trusted partner for the global cruise sector.

The concept

Our outdoor whirlpool spas bring a sense of pure escape to every cruise ship deck. Made from premium acrylic, they deliver lasting beauty with a surface impervious to osmosis and highly resistant to chemicals, particularly chlorine, while requiring absolutely no maintenance. Every detail is crafted with care, shaped by continuous research and innovation to offer guests a moment of true relaxation. With dedicated assistance, extended warranties, and a smart digital app that keeps all information at hand, each spa becomes an experience designed to inspire comfort, ease, and unforgettable moments at sea.

LuxuryspaApp

With just a tap, you can get all the information on your smartphone. With LuxuryspaApp, every whirlpool has its own digital passport. Access all technical information in real time, such as general details, serial number, warranty, and much more. You can also browse the full list of available spare parts, view the maintenance manual, safety data sheets, installation, and support instructions. Need help? With LuxuryspaApp, you have a direct and instant channel to our technical team. NFC technology enables faster service, complete traceability, and zero margin for error. LuxuryspaApp – free, reliable, and always with you.

JSS Round

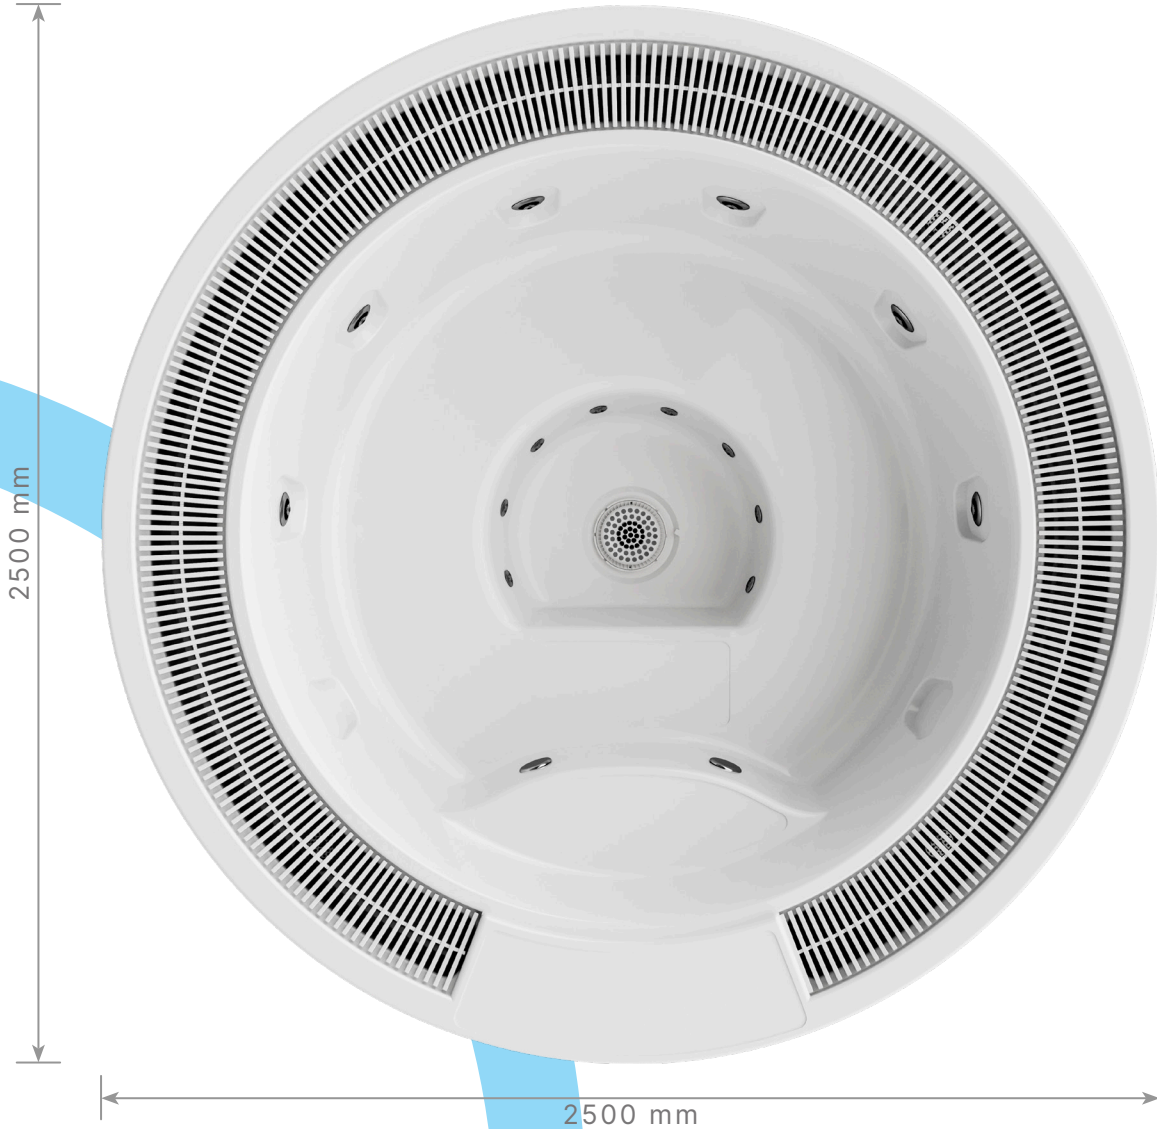

JSS 2.3 Round Technical data sheet

Diameter:	2300 mm
Width:	2300 mm
Height:	1100 mm (± 100)
Capacity :	1120 l
Weight (empty):	176 kg
Weight (full):	1296 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

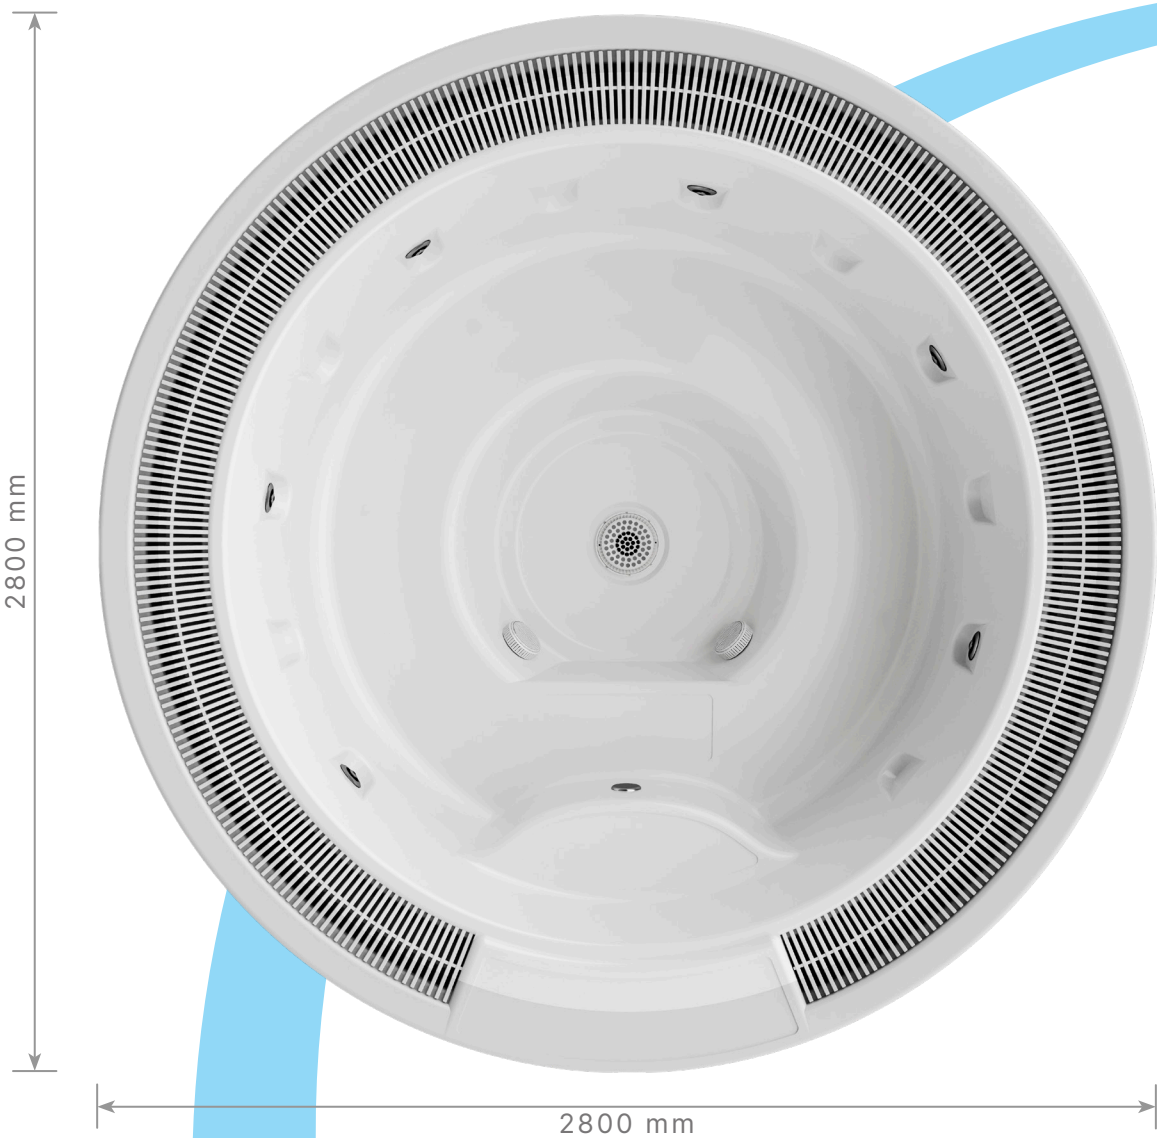

JSS 2.5 Round Technical data sheet

Diameter:	2500 mm
Width:	2500 mm
Height:	1100 mm (± 100)
Capacity :	1240 l
Weight (empty):	300 kg
Weight (full):	1540 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

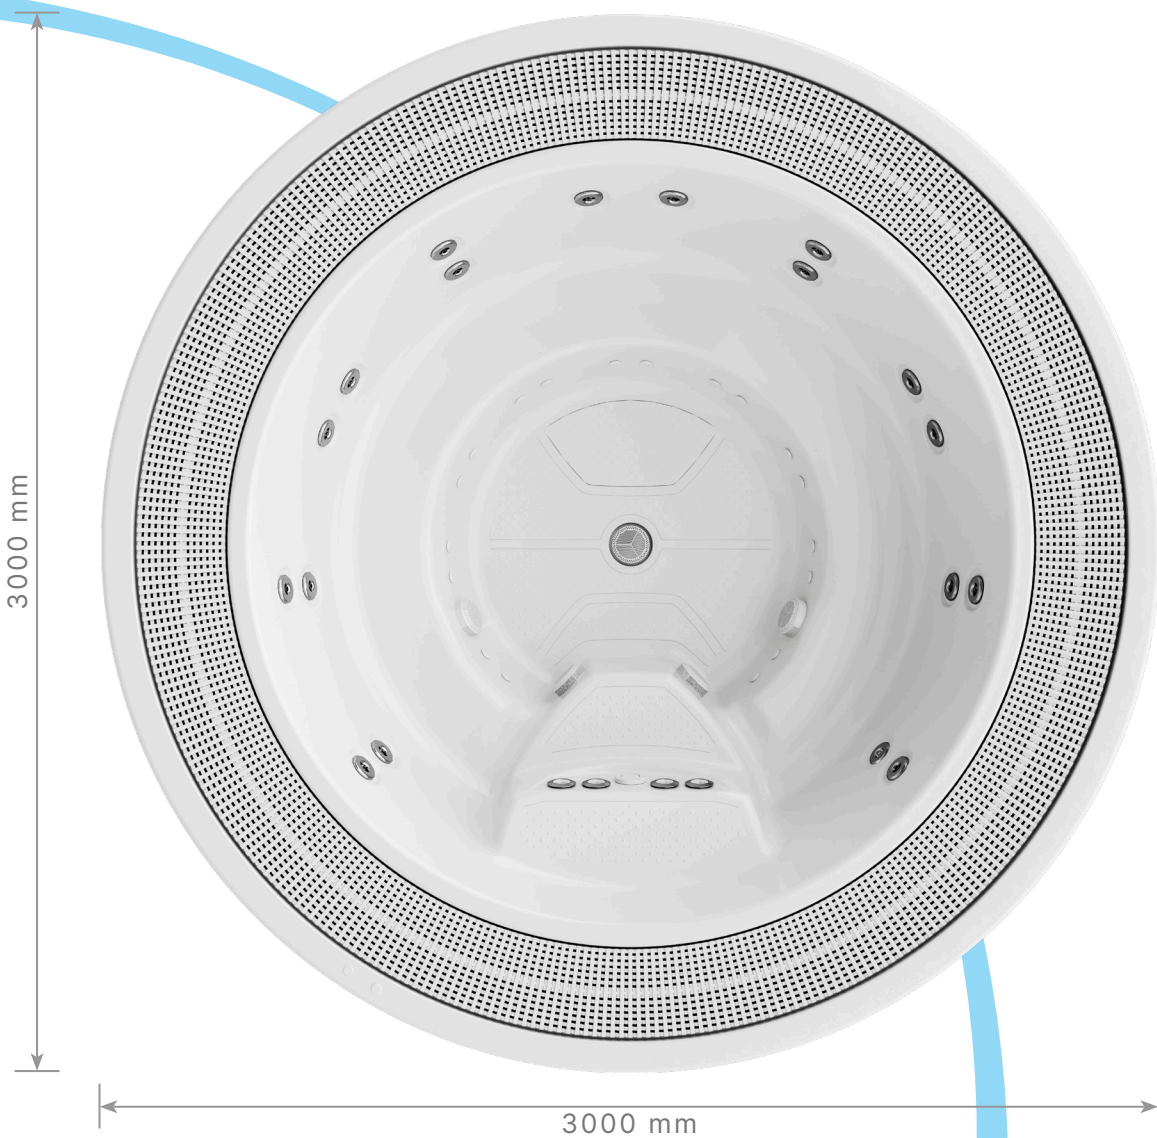

JSS 2.8 Round Technical data sheet

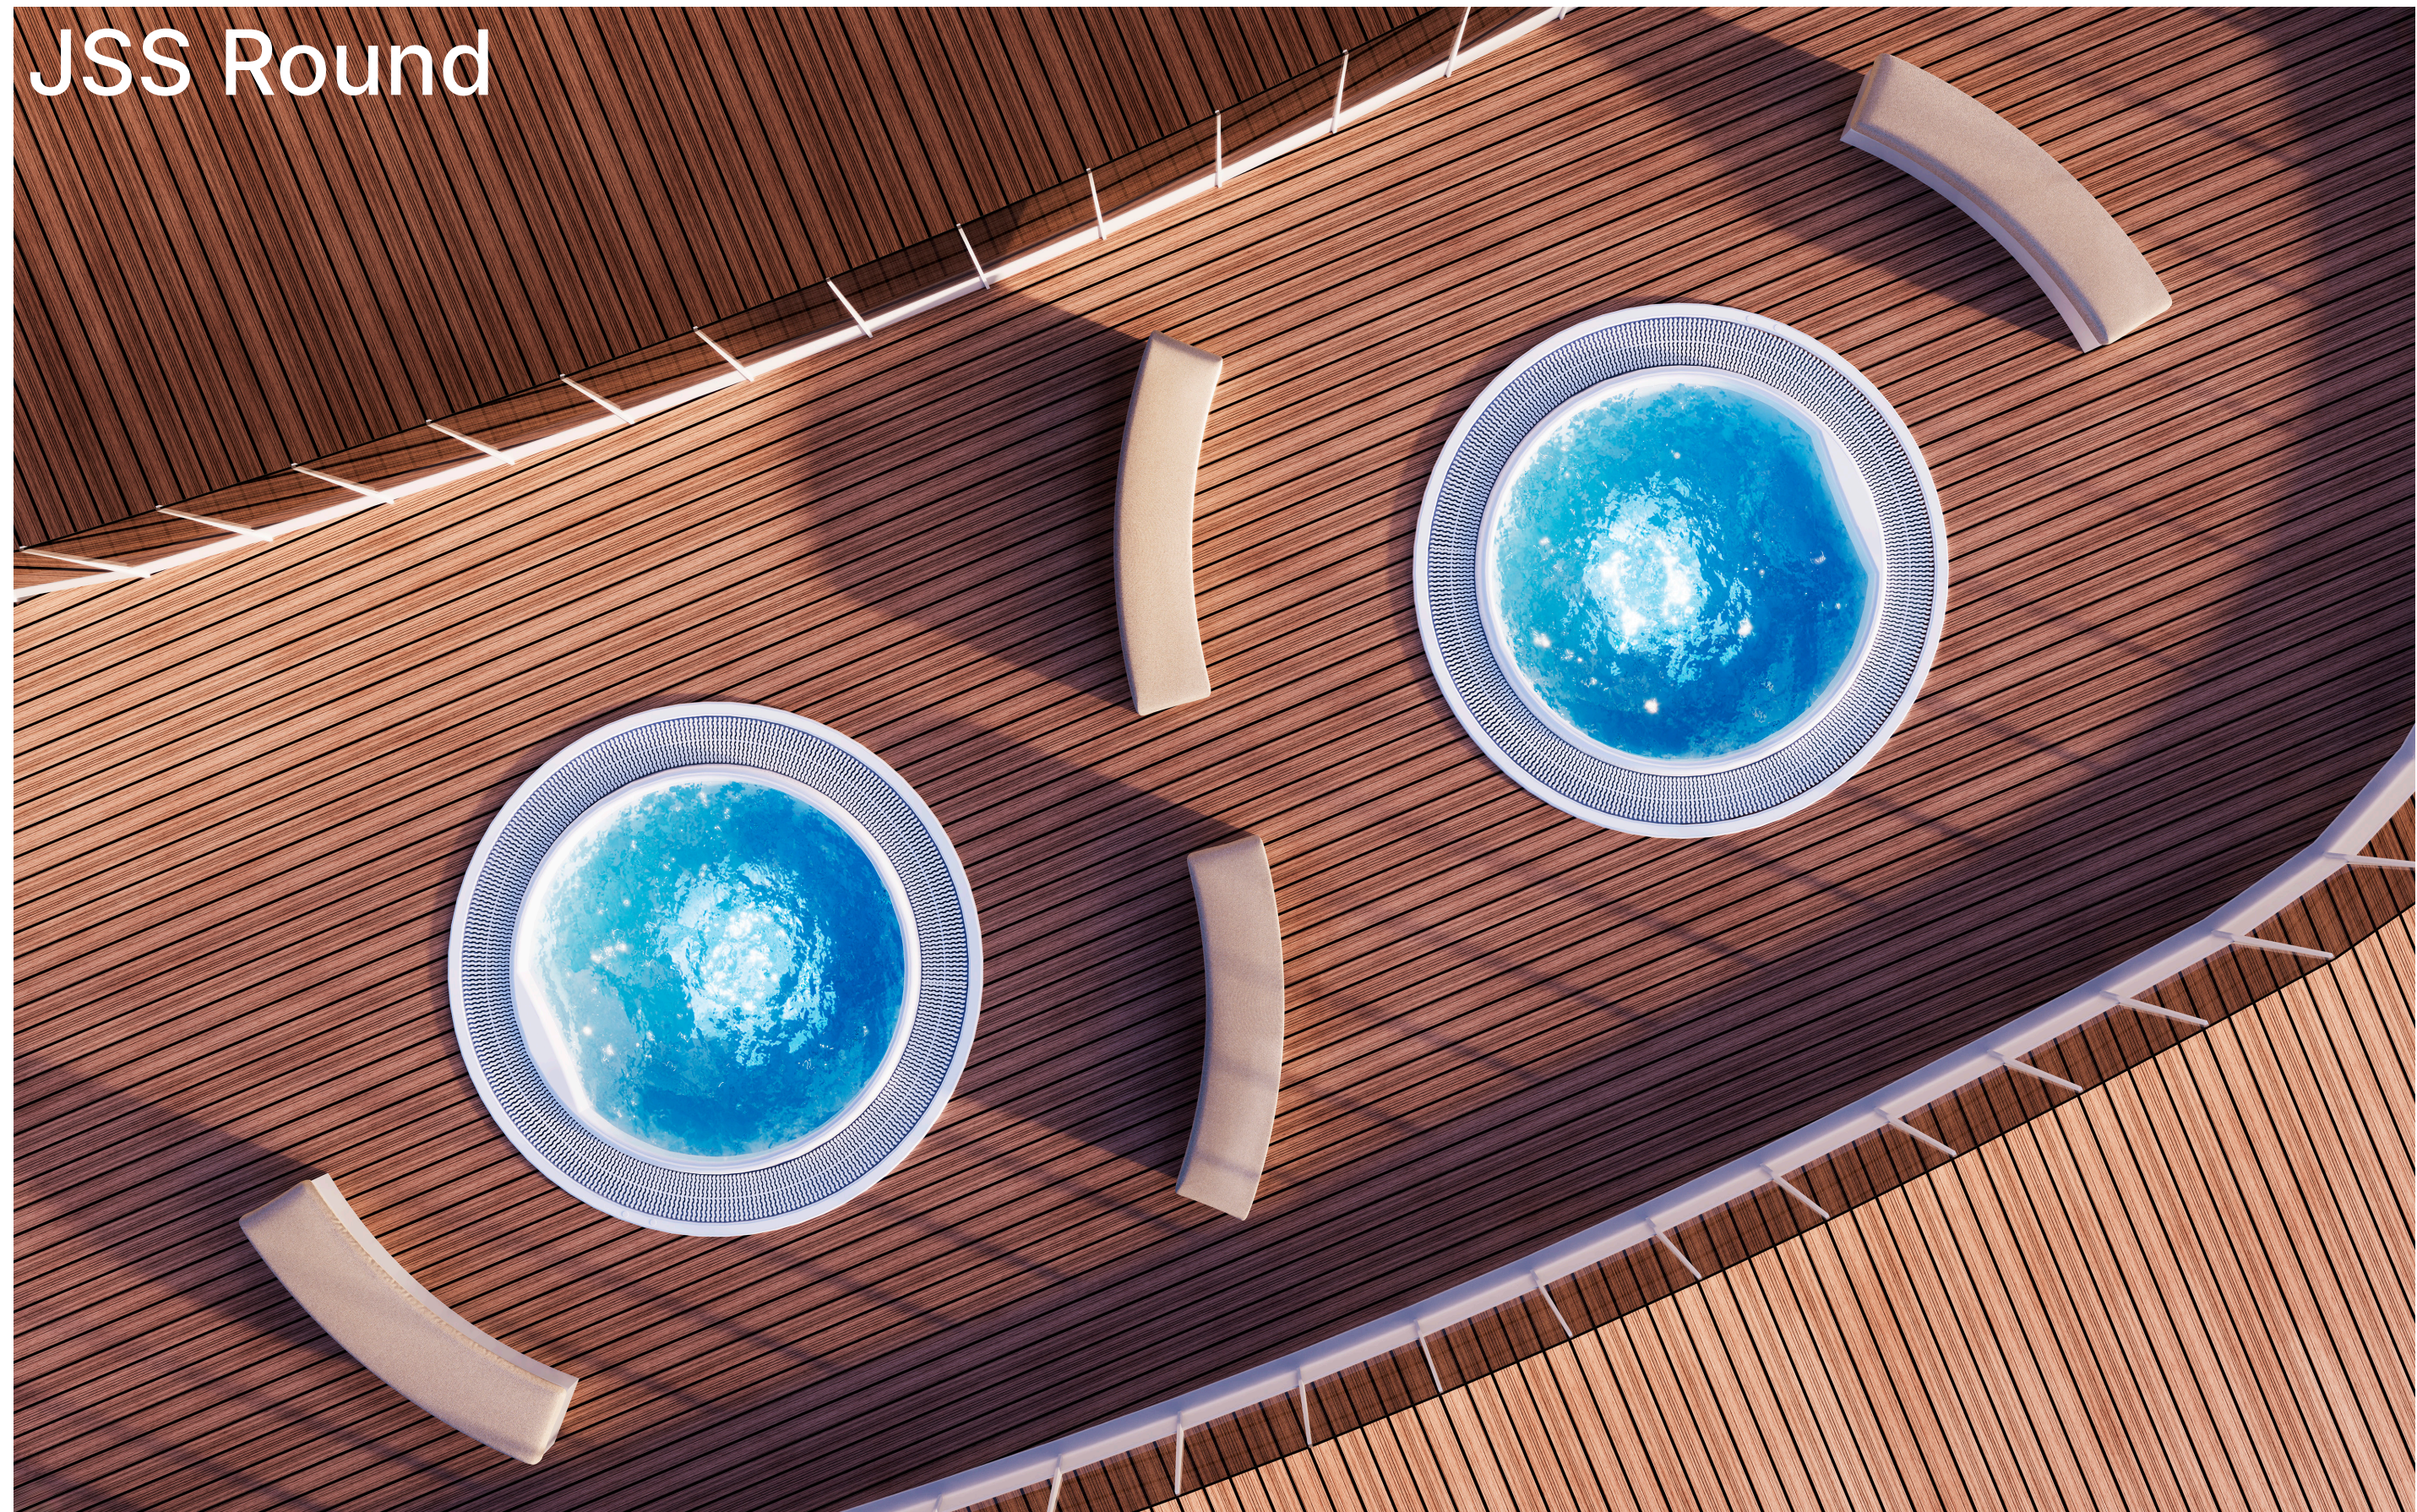

Diameter:	2800 mm
Width:	2800 mm
Height:	1100 mm (± 100)
Capacity :	2000 l
Weight (empty):	380 kg
Weight (full):	2380 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

JSS 3.0 Round Technical data sheet

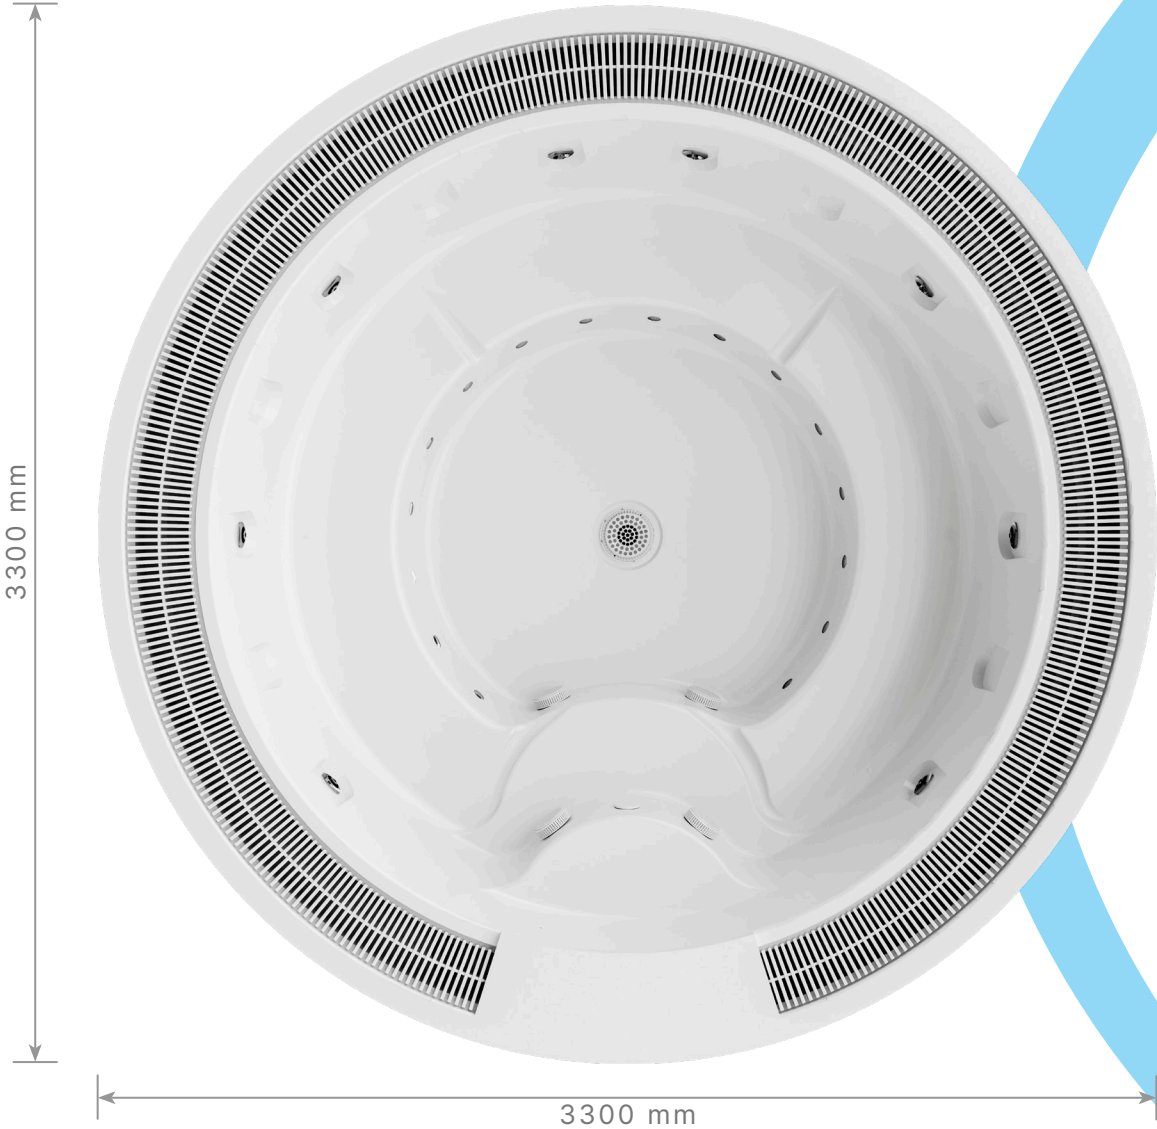

Diameter:	3000 mm
Width:	3000 mm
Height:	1100 mm (± 100)
Capacity :	2290 l
Weight (empty):	323 kg
Weight (full):	2613 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

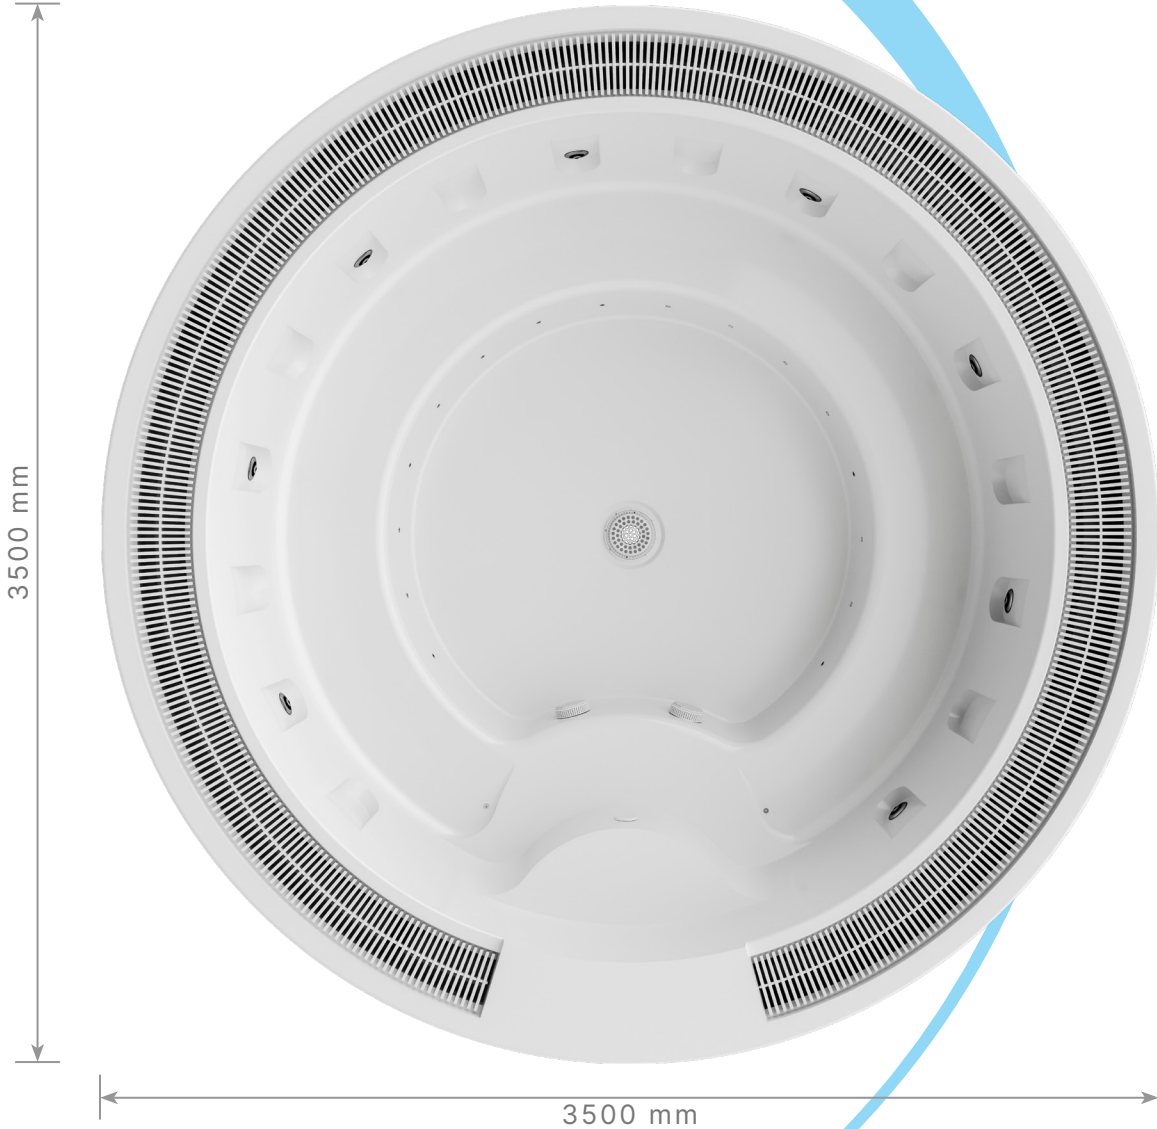

JSS 3.3 Round Technical data sheet

Diameter:	3300 mm
Width:	3300 mm
Height:	1100 mm (± 100)
Capacity :	3120 l
Weight (empty):	420 kg
Weight (full):	3540 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

JSS 3.5 Round Technical data sheet

Diameter:	3500 mm
Width:	3500 mm
Height:	1100 mm (± 100)
Capacity :	3800 l
Weight (empty):	480 kg
Weight (full):	4280 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

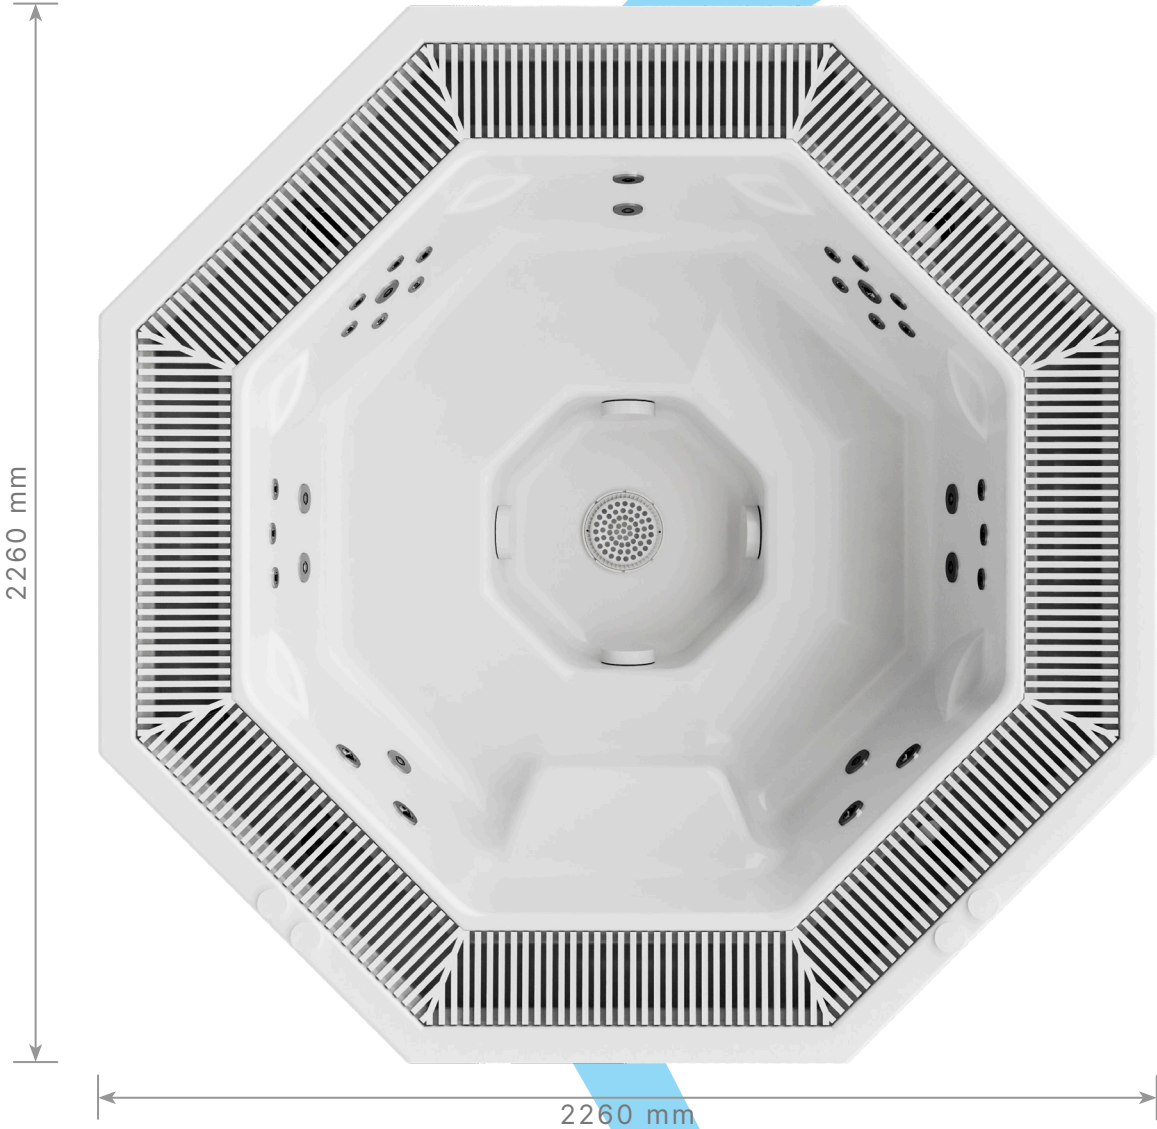

JSS Octagonal

JSS 2.3 Octagonal Technical data sheet

Lenght: 2260 mm
Width: 2260 mm
Height: 1100 mm (± 100)
Capacity : 1050 l
Weight (empty): 200 kg
Weight (full): 1250 kg

Frame: Stainless Steel
Material: Reinforced Fiber Glass Acrylic

Structure Warranty: 8 Years
Components Warranty: 2 Years

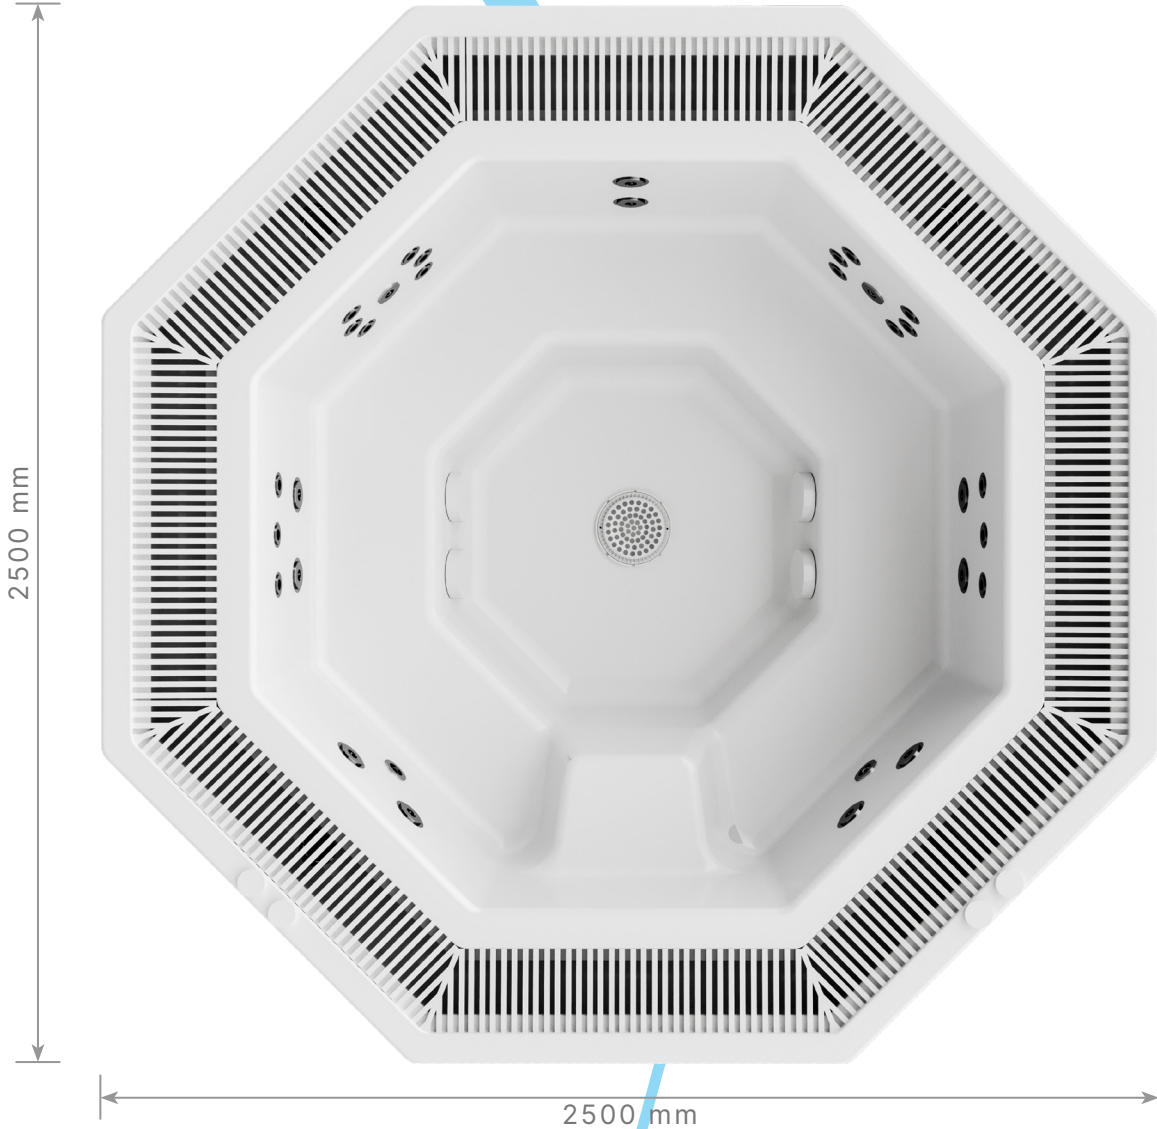

JSS 2.5 Octagonal Technical data sheet

Lenght: 2500 mm
Width: 2500 mm
Height: 1100 mm (± 100)
Capacity : 1300 l
Weight (empty): 300 kg
Weight (full): 1600 kg

Frame: Stainless Steel
Material: Reinforced Fiber Glass Acrylic

Structure Warranty: 8 Years
Components Warranty: 2 Years

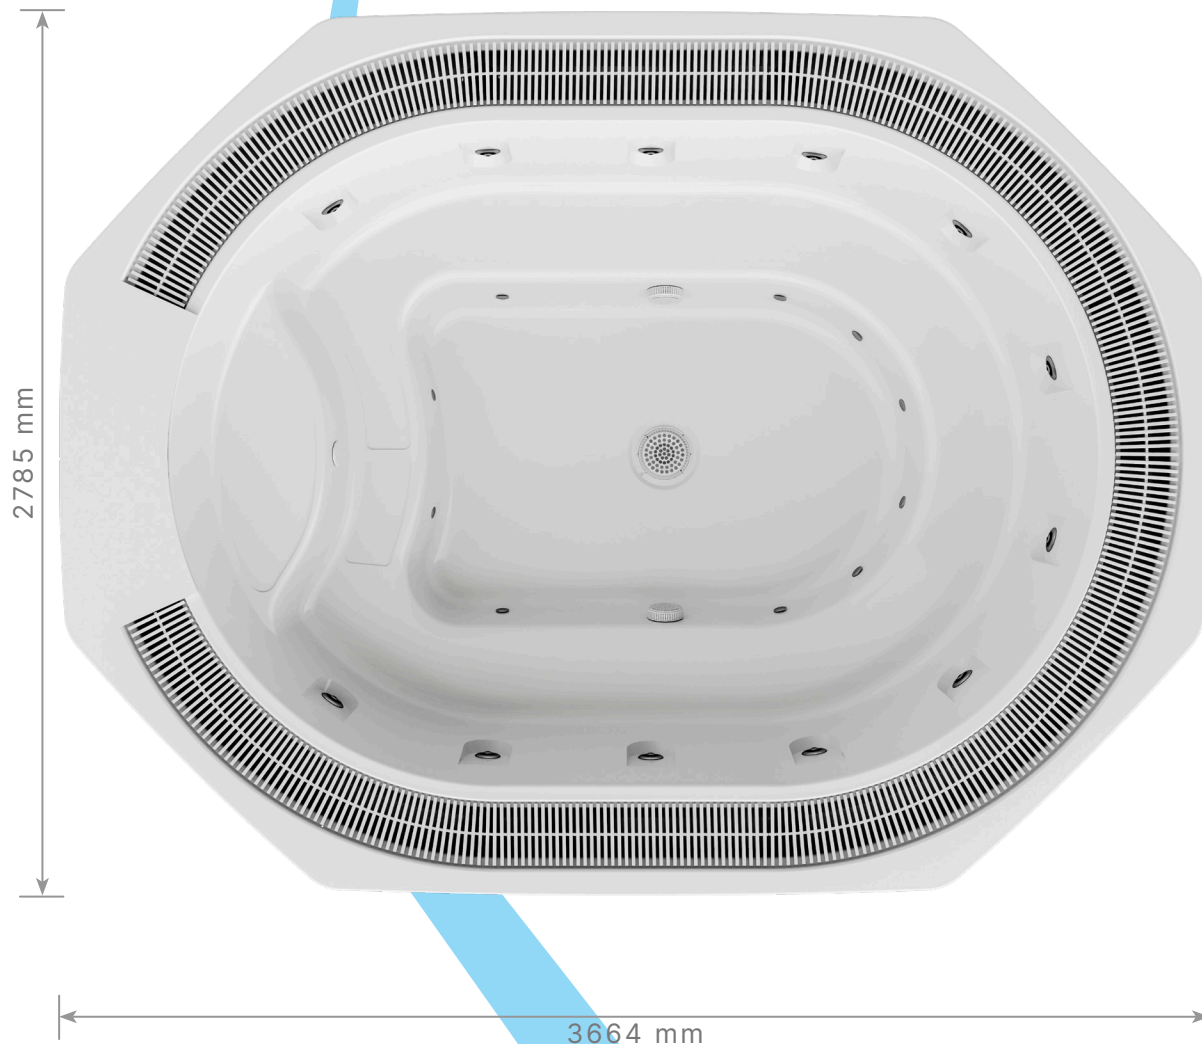

JSS 4.0

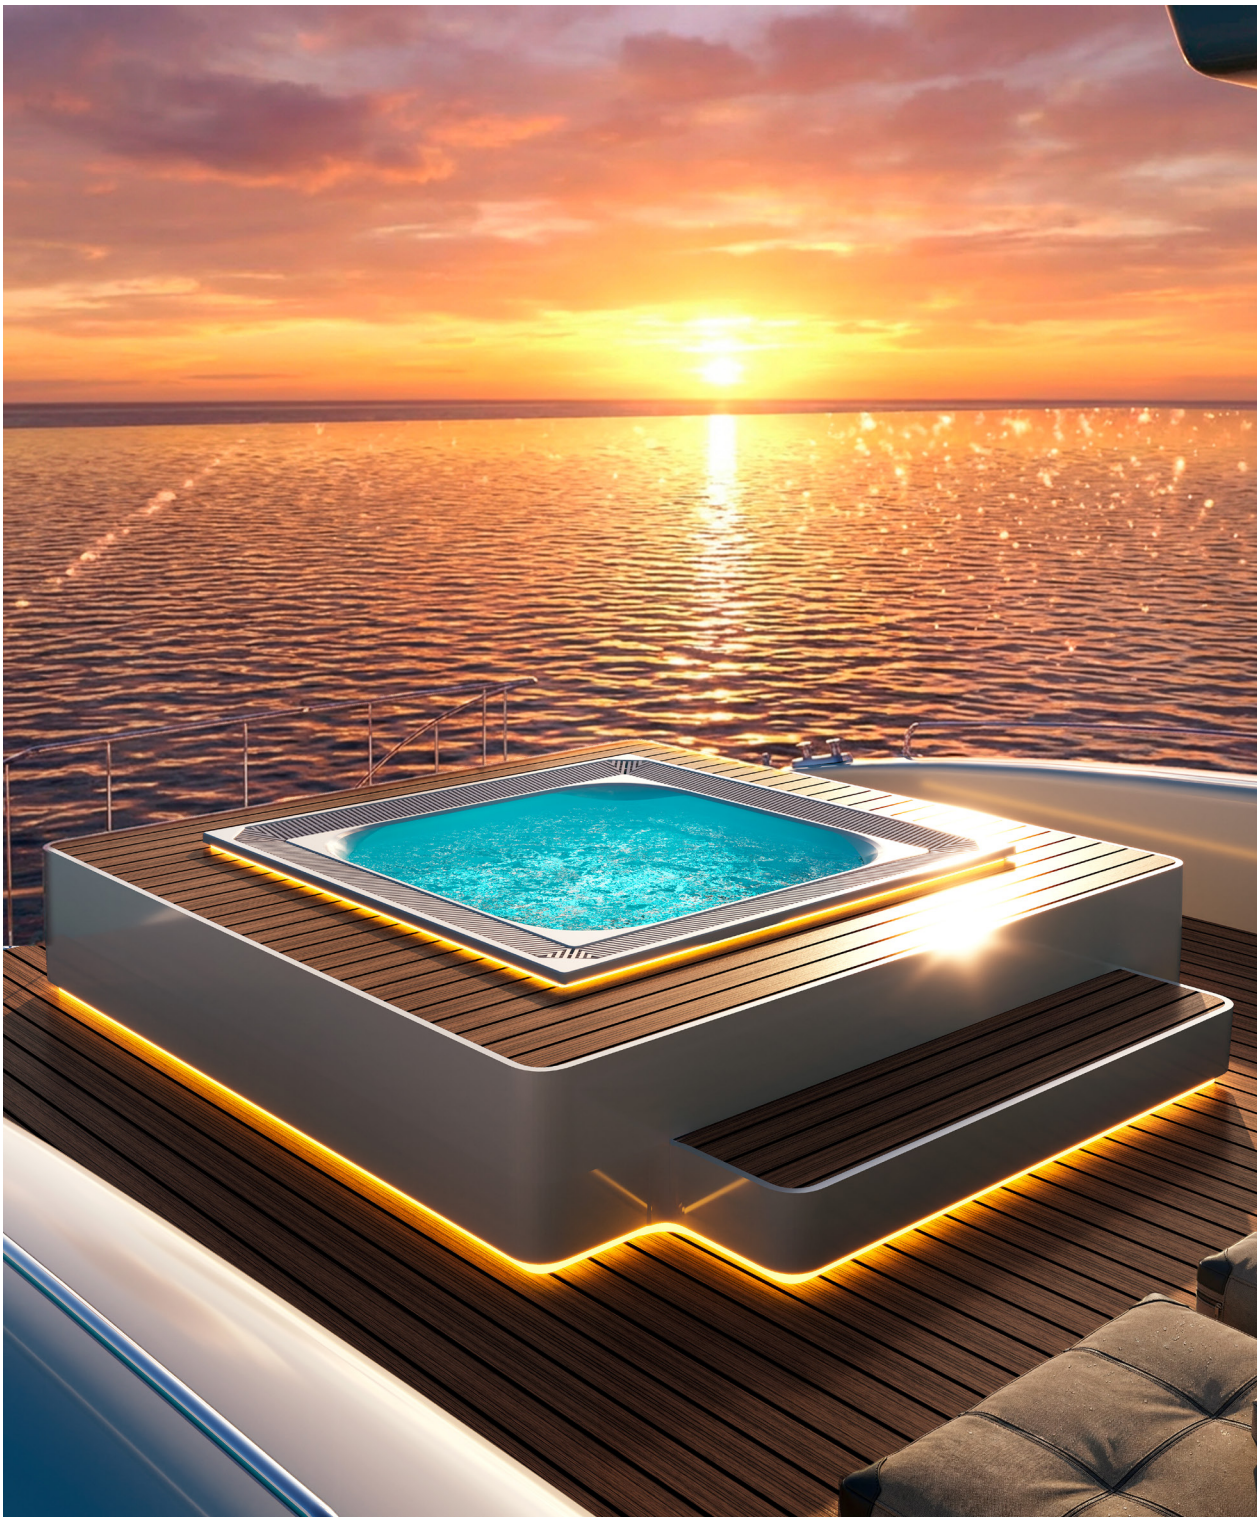

JSS 4.0 Technical data sheet

Length:	3664 mm
Width:	2785 mm
Height:	1100 mm (± 100)
Capacity :	3250 l
Weight (empty):	480 kg
Weight (full):	3730 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

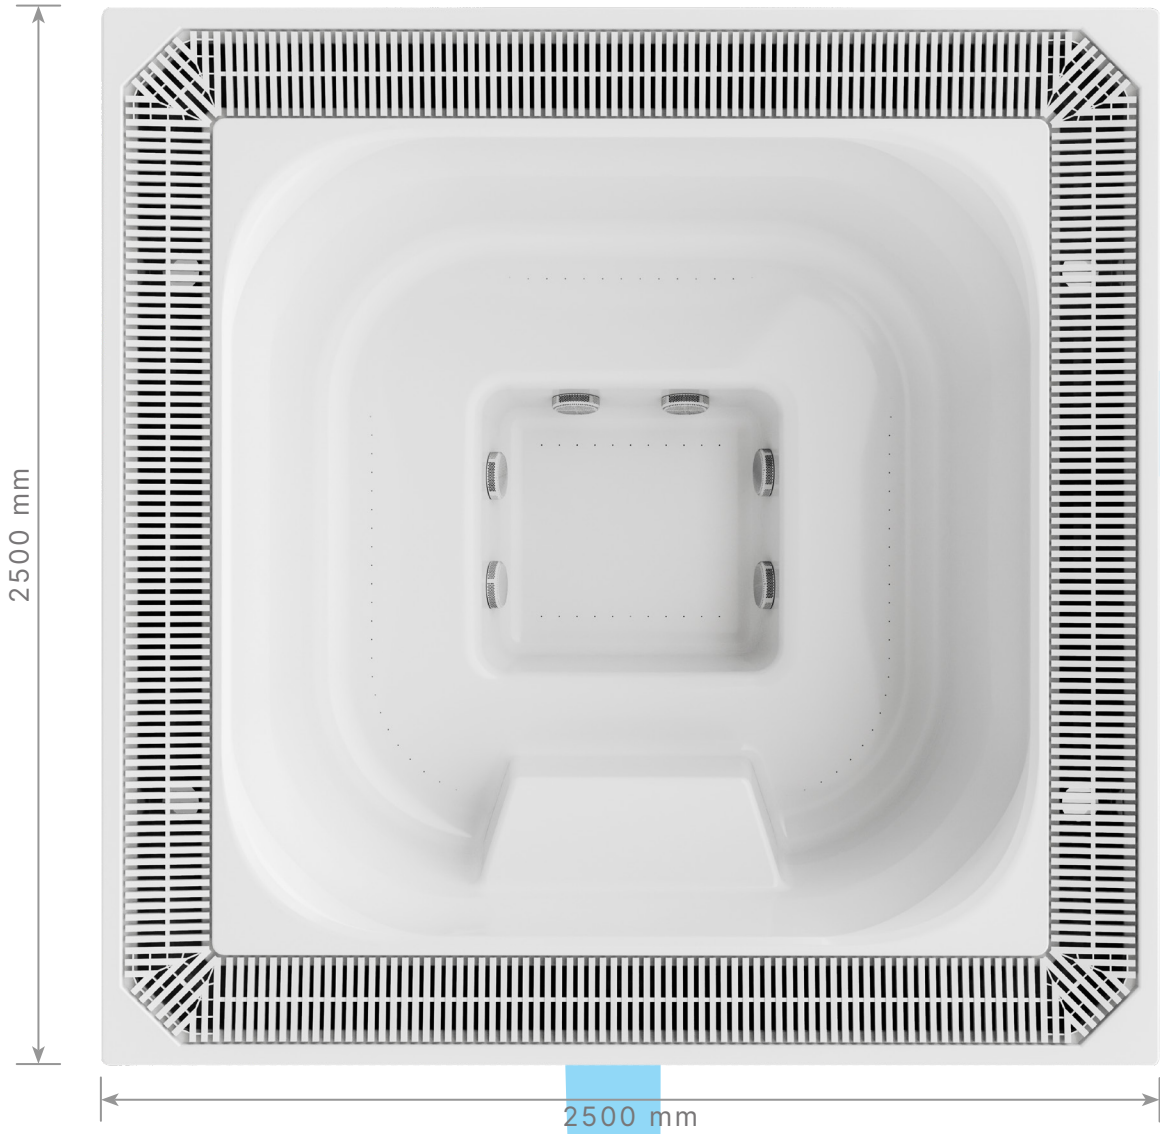

JSS 2.5 Square

JSS 2.5 Square Technical data sheet

Length:	2500 mm
Width:	2500 mm
Height:	1100 mm (± 100)
Capacity :	2000 l
Weight (empty):	350 kg
Weight (full):	2350 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

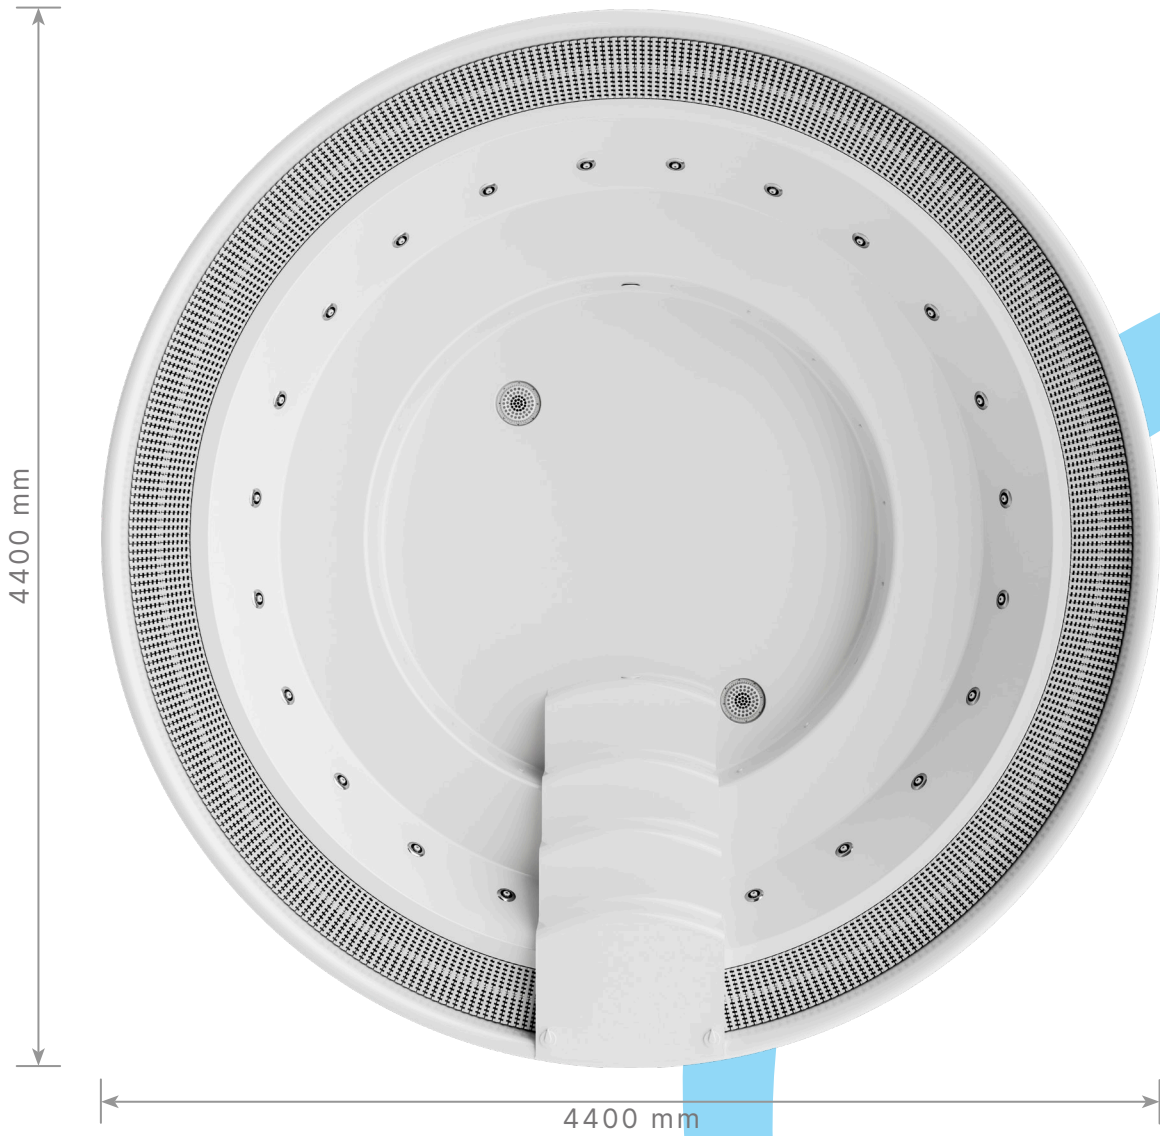

JSS 4.4 Round

JSS 4.4 Round Technical data sheet

Diameter:	4400 mm
Width:	4400 mm
Height:	1100 mm (± 100)
Capacity :	5000 l
Weight (empty):	600 kg
Weight (full):	5600 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Gelcoat
Structure Warranty:	2 Years
Components Warranty:	2 Years

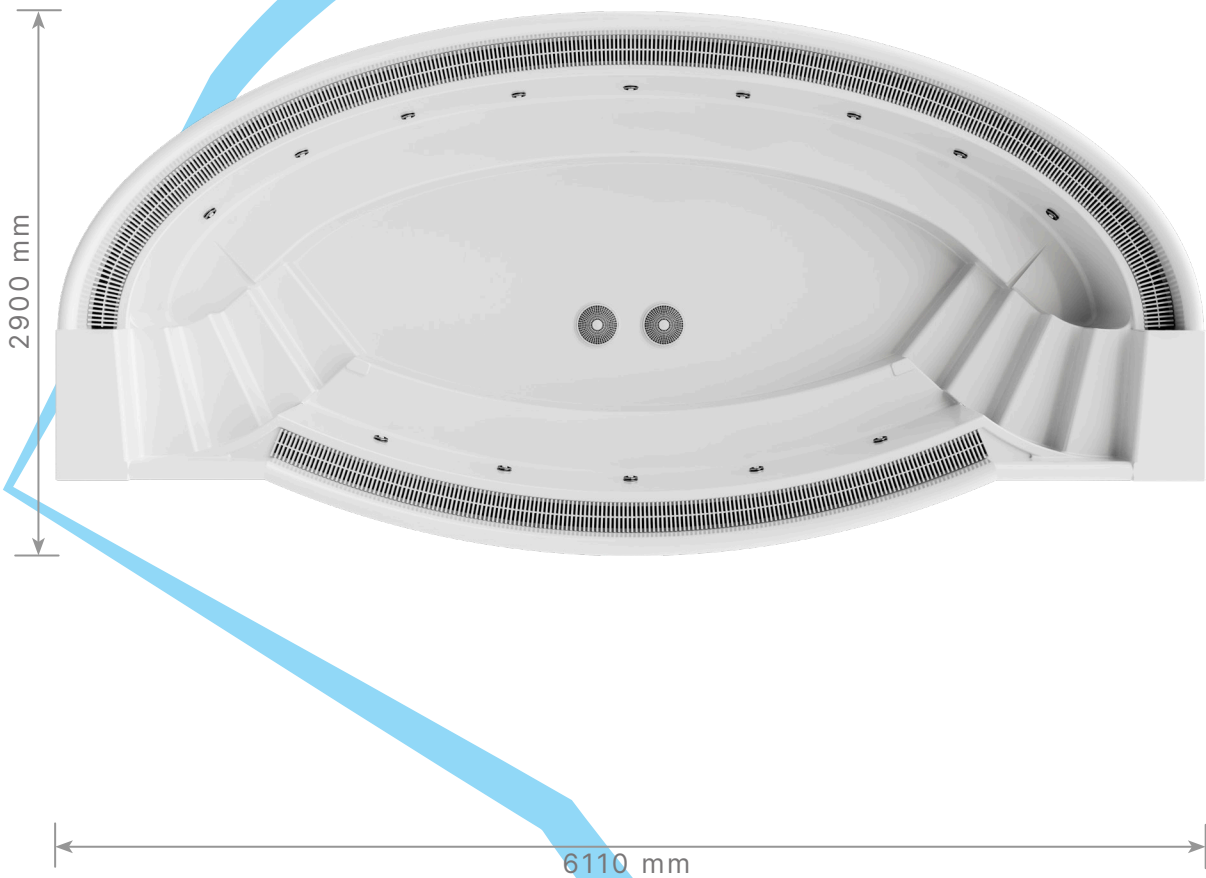

JSS Banana

JSS Banana Technical data sheet

Length:	6110 mm
Width:	2900 mm
Height:	1250/1150 mm ($\pm$ 100) to Water Level
Capacity :	5200 l
Weight (empty):	900 kg
Weight (full):	6100 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Acrylic
Structure Warranty:	8 Years
Components Warranty:	2 Years

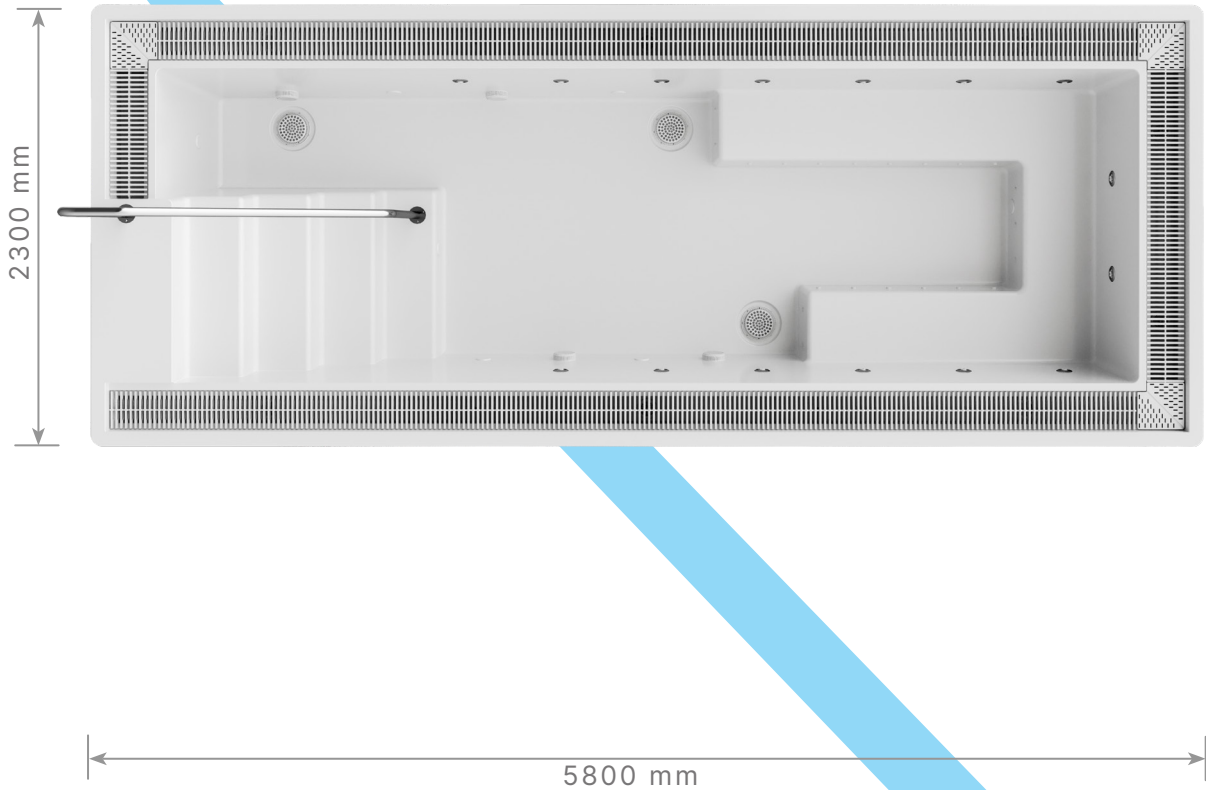

JSS Thalasso

JSS Thalasso Technical data sheet

Length:	5800 mm
Width:	2300 mm
Height:	1200 mm (± 100)
Capacity :	5800 l
Weight (empty):	700 kg
Weight (full):	6500 kg
Frame:	Stainless Steel
Material:	Reinforced Fiber Glass Gelcoat
Structure Warranty:	2 Years
Components Warranty:	2 Years

Compact Integrated Spa Pack

A complete compact system engineered for the performance of JSS hot tubs.

The Spa Pack combines all the technical components required to operate the system into a single unit, ensuring easy installation, reliability and simplified maintenance.

The unit consists of:

- Hydromassage pump;;
- Air blower pump;
- High-performance cartridge filtration system;
- Filtration pump with pre-filter;
- In-line electric heater;
- Custom-made compensation tank;
- Automatic chlorine and pH dosing system;
- Electrical control and protection panel;
- Hot tub monitoring and control system.

All components are pre-assembled and fully pre-plumbed and pre-wired.

The compact monoblock configuration maximizes technical space and shortens installation times, delivering a plug-and-play solution for the proper operation of the hot tub, ensuring efficiency, safety and simplicity of management in a single integrated module.
